

## **Important Information for Parents/Carers**

### **School Meals**

As the winter months are approaching and temperatures are dropping, we feel it is vital for our pupils to have the option of a hot meal. We have arranged for Jacket Potatoes to be included on our menu from Monday 12th October. The choice of fillings will be baked beans, cheese or tuna.

Cold options will still be available.

### **Flu Programme—Foundation Stage 2 to Year 6 Pupils.**

The immunisation team will be in school on Monday 23rd November to administer the nasal flu vaccination to all pupils from full time Reception pupils through to Year 6 pupils, subject to parent/carer permission.

If you would like your child to be included in this programme, please click/visit the link below to complete the E consent for the flu vaccination. There are no paper forms available.

The E consent link is as follows and is also included in this email.

[www.southwestyorkshire.nhs.uk/flu](http://www.southwestyorkshire.nhs.uk/flu)

The cut off date for the E consent to be sent to the immunisation team will be 2 days prior to our session date.

### **School Photographs**

Unfortunately, due to the current restrictions and to keep our pupils and staff safe, as there is no movement throughout the school corridors and to not cross contaminate bubbles, we won't be looking to book school photographs until the current restrictions are eased.

### **Parents Evening**

Parents evening will be by telephone appointment phone calls and will after October Half Term.

Further details to follow nearer the time.

### **Health & Safety**

Could we please thank all parents/carers who have supported us in our commitment to keeping our pupils and staff safe throughout this pandemic. However, we do request that parent/carers DO NOT wait around and only come onto school premises when your child/children are due to start/finish school. Please do not arrive any earlier to help us control the movement and number of people on the site so we can manage the social distancing measures.
