

Art Knowledge Organiser – LKS2 - Study of artists- Critical and contextual skills

Vocabulary	Definition
Artist	A Person who paints or draws for a hobby or profession
Explore	To discuss and examine something in detail.
Create	To make something from one's own imagination.
Style	The distinctive manner in how someone represents their work and the technique they use.
Observe	To notice things carefully in detail
Purpose	The reason why something is done.
Compare	To compare the work of one artist with another through careful observations.
Adapt	To modify, improve, make better.
Accurate	To be as exact or similar as possible.
Annotate	To make notes or give an explanation for something.

Georgia O'Keeffe

1887-1996

We will recap using observational drawing skills to help us draw flowers whilst still being inspired by Georgia O'Keeffe to paint flowers.

Jackson Pollock

1912-1956

We will be using different drip effect techniques to achieve our background inspired by Jackson Pollock.
