

KS1 Autumn Term Music

*What is rap?*

Music that has rhythmic rhyming and speech,

*What is Hip Hop?*

A style of music created in the 1970s.

The voice usually raps.

It contains heavy beats and electronic sounds.

*Melody* is a sequence of notes that sounds nice.

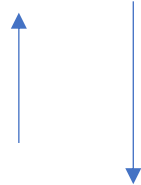

*Rhythm* is when long and short sounds are put together. They create a strong and regular repeated sound and pattern.

*Pulse* is the musical heartbeat. It keeps us in time.

*Pitch* is how high or low a sound can be.

*Improvising* is making something up. You can make your own rhythms and sounds.

*Performing* is when we sing or play in front of an audience.

*Composing* is creating your own music.
