

Structure how a song is put together.

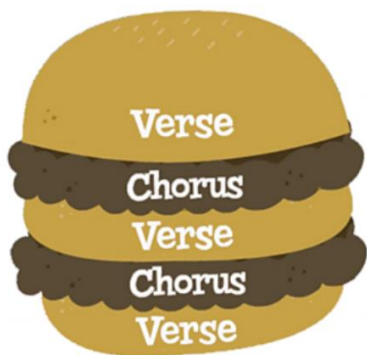

LKS2 Autumn Term Music

Introduction the beginning of a song. Usually musical.

Melody is a sequence of notes that sounds nice.

Rhythm is when long and short sounds are put together. They create a strong and regular repeated sound and pattern.

Structure in songs

In pop music, songs often follow a verse - chorus - verse **structure**.

Verses usually come before a **chorus**. They often repeat but with different lyrics for each **verse**.

The **chorus** is usually a catchy section repeated throughout the song. Every time we get to the **chorus**, typically the **lyrics** are the same making it easy to sing along to.

Pulse is the musical heartbeat. It keeps us in time.

Composing is creating your own music.

Dynamics how loud or quiet a piece of music is.

Tempo the speed of the music.

Pitch is how high or low a sound can be.

Improvising is making something up. You can make your own rhythms and sounds.
