Autumn 2

Information Technology: Animation

Create a cartoon

Key Question: Can I use my voice and images to create my own cartoon?

End Point: To create their own cartoon animation.

Puppet Pals HD

1. Choose your characters.

- You can choose a character.
- OR
- You can upload a character.

2. You can remove the background by drawing around your uploaded image.

3. You can drag your images around your scene.

Lesson 1 - E-Safety lesson

Does information stay online, and can it be copied?

Lesson 2 - Can I tinker and explore Puppet Pals HD?

Lesson 3 - Can I explore the different options and tools in Puppet Pals HD?

Lesson 4 - Can I record audio to go along with my animation?

Lesson 5 + 6 - Can I plan, record and create my own animation?

I can statements:

I know how to create a simple animation to tell a story including more than one character.

I know how to create an animation to tell a story with more than one scene.

I know how to add my own pictures to my story animation.

I know how to add a photo/image from the internet and/or my camera roll.

I know how to use a paint/drawing app to create a digital image.

I can record my own voice.

I can pause my recording to change a scene before carrying on my story.
