Unlike in English, French doesn't use capital letters for the days of the week or months of the year.

> janvier - January
> février - February
> mars - March
> avril - April
> mai - May
> juin - June
> juillet - July
> août - August
septembre - September
octobre - October
novembre - November
décembre - December

I can pronounce the sounds shown on the sound board.
 I can name the 7 days of the week in French.

I can name the 12 months of the year in French.
