I can tell you something I did well in a learning challenge and something I want to get better at
I am happy to talk about what I did well and use it to make me feel good about myself
I can evaluate my own learning process and identify how it can be better next time
I am confident in sharing my success with others and know how to store my feelings of success in my internal treasure chest
I can recognise and express my strengths in tackling a learning challenge and I can plan steps to help me do better next time
I am confident to share with others both my success and the difficulties I faced, and I know how to store my feelings of success in my internal treasure chest
