When I grow up

We will begin this topic by thinking about what our lives will be like when we are adults. We will think about how we will spend our time and money.

Jobs and careers

In this lesson we will look at a variety of different jobs. We will think about the benefits of these jobs including their wages.

Dream job – how will I get there?

In this lesson we will think about what we need to get our dream job. Does it have specific qualifications or skills that I need to work on?

Dreams and goals in other cultures.

Thinking about others around the world, we will begin to think about whether we have similar dreams and goals or whether there are differences and we will consider why this might be.

Supporting each other

In this lesson we will consider what we can actually get from learning about other cultures. We will also consider the importance of helping others.

Rallying support

In this lesson we will discover all the jobs available in the NHS and think about who does them. We will use this information to enter a national
