Remote Learning Policy

‘Remote Learning’ refers to the provision of work, teacher support, assessment and feedback from teachers to pupils in the event that normal lessons are unable to be delivered ‘face-to-face’ as normal.

The priority should always be for schools to deliver high-quality face-to-face education to all pupils. Remote education should only ever be considered as a short-term measure and as a last resort where in person attendance is not possible.

1. Intent:

At Athersley North Primary School, we understand the need to continually deliver high quality education, including during periods of remote working – whether for an individual pupil or many.

We recognise the importance of maintaining high expectations in all areas of school life and ensuring that all pupils have access to the learning resources and support they need to succeed.

Through the implementation of this policy, we aim to address the key concerns associated with remote working, such as online safety, access to educational resources, data protection, and safeguarding.

This policy aims to:

- Minimise the disruption to pupils’ education and the delivery of the curriculum.
- Ensure provision is in place so that all pupils have access to high quality learning resources.
- Protect pupils from the risks associated with using devices connected to the internet.
- Ensure staff, parents, and pupil data remains secure and is not lost or misused.
- Ensure robust safeguarding measures continue to be in effect during the period of remote learning.
- Ensure all pupils have the provision they need to complete their work to the best of their ability, and to remain happy, healthy, and supported during periods of remote learning.

Legal framework

This policy has due regard to all relevant legislation and statutory guidance including, but not limited to, the following:

- Equality Act 2010
- Education Act 2004
- The General Data Protection Regulation (GDPR)
- The Reporting of Injuries, Diseases and Dangerous Occurrences Regulations 2013
- Data Protection Act 2018

This policy has due regard to national guidance including, but not limited to, the following:

- DfE (2025) ‘Keeping children safe in education’
- DfE (2024) ‘Providing remote education: guidance for schools’
- DfE (2024) ‘Working together to improve school attendance’

2. Implementation

Preparing for Remote Learning:

- Staff will have access to Microsoft Teams for Classes
- Pupils within classes will have access to the relevant Microsoft Team
- Pupils will receive Teams instruction session and specific Teams Meetings instructions upon returning to the classroom after a period of closure.
- Staff are familiar with the main functions of Microsoft Teams
- Staff have the ability to host a Teams Meeting (video and/or audio) with their classes
- Parents and pupils are made aware in advance of the arrangements in place for the continuity of education
- Staff will have access to a suitable device in their classroom or, in the event of closure, that staff have suitable devices at home and if not, supply them with a device during the closure period

Continuity of Education in Event of a Closure:

The school will make provision for remote contact with pupils on a daily basis in two forms:

- Pupils will have access to work that allows them to continue progress while at home
- Pupils will have the opportunity for face-to-face interaction with their class teacher on a daily basis

As far as possible the school will attempt to replicate the timetable that pupils follow through the course of a normal school day. However, it is recognised that some subjects and activities do not lend themselves well to remote learning.

Resources

Learning materials

The school will accept a range of different teaching methods during remote learning to help explain concepts and address misconceptions easily. For the purpose of providing remote learning, the school may make use of:

- ❖ Work booklets
- ❖ Email
- ❖ Past SATS papers
- ❖ Current online learning portals
- ❖ Educational websites
- ❖ Reading tasks
- ❖ Microsoft Class Team Meetings
- ❖ Pre-recorded video or audio lessons
- Reasonable adjustments will be made to ensure that all pupils have access to the resources needed for effective remote learning.
- Teachers will ensure the programmes chosen for online learning have a range of accessibility features to support pupils with SEND.
- Lesson plans will be adapted to ensure that the curriculum remains fully accessible and inclusive via remote learning.

- The school will review the resources pupils have access to and adapt learning accordingly
- Any issues with remote learning resources will be reported as soon as possible to the relevant member of staff.
- Pupils will be required to use their own or family-owned equipment to access remote learning resources.
- Teaching staff will oversee academic progression for the duration of the remote learning period.

All staff and pupils using audio communication must:

- Use appropriate language – this includes others in their household.
- Maintain the standard of behaviour expected in school.
- Use the necessary equipment and computer programs as intended.
- Not record, store, or distribute audio material without permission.
- Ensure they have a stable connection to avoid disruption to lessons.
- Always remain aware that they can be heard.
- Communicate in groups – one-to-one sessions are not permitted.

- Reinforce the importance of children staying safe online.
- Ensure parents are aware of what their children are being asked to do, e.g. sites they have been asked to use and staff they will interact with.
- Encourage them to set age-appropriate parental controls on devices and internet filters to block malicious websites.
- Direct parents to useful resources to help them keep their children safe online.
- The school will not be responsible for providing access to the internet but will use best endeavours to ensure all pupils have appropriate access
- The school will not be responsible for providing online safety software, e.g. anti-virus software.

- Teachers will continue to make use of formative assessments throughout the academic year, e.g. quizzes.
- Teachers will differentiate accordingly.

2. Providing feedback on work:

Providing timely and helpful feedback is a cornerstone of good teaching and learning, and whilst this may be more challenging with remote learning, teachers will endeavour to provide regular feedback to pupils.
